

DRYCO Construction, Inc.
Northern California's most complete pavement maintenance company.

Want a great job?

Asphalt Raker Wanted

DRYCO puts an emphasis on family values and employee loyalty—many employees have been with DRYCO for over 20 years, and many families have multiple generations at DRYCO. We have been a leader in the commercial pavement maintenance industry for over 30 years and work with property managers, home owners associations, general contractors, engineering consultants, and building owners to keep their most valuable assets protected and maintained. We offer competitive pay, full medical, dental and vision benefits, and retirement packages. We are an EEOC employer who offers a drug-free workplace. Plus, we appreciate and respect each other like family.

Responsibilities You'd Take On

- Works with rakes to redistribute the asphalt mix more correctly as it leaves the screed and is ready for rolling.
- May operate a variety of hand and power tools as well as some equipment.
- Works as part of the paving crew primarily raking asphalt, shoveling excess asphalt and sweeping up debris.
- Complete a variety of other general labor assignments such as clean and prepare sites.
- Spread asphalt using efficient techniques and maintaining a good pace.
- Perform a variety of tasks involving strenuous manual labor.
- Perform a variety of tasks involving dexterous use of hands and tools.
- Maintain a clean job site, pick up tools and equipment in order to eliminate potential hazards.
- May be required to alternate duties with operating various machines. Ability to lift heavy objects, walk and stand for long periods of time and perform strenuous physical labor under adverse field conditions.
- Must be able to meet all safety requirements and applicable safety policies.
- Work overtime as required.
