

DRYCO Construction, Inc.
Northern California's most complete pavement maintenance company.

Want a great job?

Estimator/Project Manager Wanted

Do you have the ability to build strong relationships with customers? Do you enjoy overseeing all aspects of a project from bid to completion? Do you look forward to developing skilled and competitive bid packages to generate new business? Would like to significantly boost your earning potential through a strong salary and commission structure? Does retaining full ownership of process from the pre-construction phase to job close out sound appealing? If you answered yes to the above, then we want to hear from you!

We offer competitive pay, full medical, dental and vision benefits, and retirement packages. We are an EEOC employer who offers a drug-free workplace. Plus, we appreciate and respect each other like family.

Responsibilities You'd Take On

- Propose on work within DRYCO's capabilities
- Generate Leads
- Evaluate and qualify opportunities serviceable by DRYCO and make effective bid or no-bid decisions
- Verify job conditions; define scope of work; assess accurate quantity of materials; estimate time frames; prepare proposals and return estimates according to DRYCO standards
- Provide accurate information to build jobs; communicate with dispatch; review projects with Division Leader
- Provide accurate documentation on capture rate, accuracy of backlog, and win/loss on all proposal deliveries and all other requirements
- Effectively lead project management on all jobs; effectively prepare crews, resolve change orders, provide follow through on billing and payment

Qualifications We'd Like to See

- Construction Management degree or equivalent experience
- 5+ years relevant Asphalt or Concrete Pavement Repair Estimating/Project Management experience
- Knowledge/relationship building experience specific to the Central Valley
- Experience with computerized estimating systems (contract management and scheduling software; Microsoft based preferred)
- Strong customer facing communication skills and proven organizational management skills
